Profile

Motivated and detail-oriented professional with a dual foundation in data analysis and front-end development. Skilled in SQL, Excel, and Power BI for uncovering insights, and experienced in HTML, CSS, and JavaScript for building responsive, user-friendly interfaces. Thrives in fast-paced environments that demand both precision and creativity, with a passion for solving problems through clean code and clear visuals.

Education & Certifications

SIBA College – Digital Business Technology (Ongoing)

- Studying business systems, digital workflows, and database fundamentals.

DataCamp – Data Analysis Career Track(Ongoing)

- SQL, Excel, Power BI — transforming raw data into actionable insights.

Self-Learning / Portfolio Projects

- Built a responsive landing page using HTML/CSS and deployed via GitHub Page.
- Cleaned and transformed 5,000+ rows of sales data using Excel and Power BI to uncover trends

Strengths

- Self-starter with strong curiosity
- Organized and proactive in both code and data
- Confident communicator across teams
- Thrives in fast-paced, cross-functional environments
- Balances analysis, design, and decision-making
